Stud Protection Caps with Knurled Top

Used throughout the automotive and engineering industries
for protecting exposed studs

TRIPLE ADVANTAGE of CAPTOP®

QUALITY. Cylindrical caps with easy-to-grip knurled top for maximum protection of threaded studs, pipe ends and shafts.

AVAILABILITY. With over 400 million moulded components shipped from our Oststeinbek / Hamburg logistics center we provide the fastest on time delivery service to all markets and industries.

PHILOSOPHY. Innovative protective closures at the best price in the market.

Type A

Material :

LLD-PE,
linear low density polyethylene

Standard Colour :

natural

Individual Productions :

On request we develop and produce individually tailored solutions next to the standard items of this range: additional dimensions, different materials and new colours

We would be pleased to advise you.
